

To whom it may concern,

Dr. Howard Linder has provided long-term volunteer support to the Holzer Health System's Office of Business Development and Marketing. Holzer Health System, a not-for-profit multi-specialty acute and ambulatory care health system, operating two hospitals, fifteen outpatient clinical locations, assisted living and senior care facilities, and a dental clinic throughout southern Ohio and western West Virginia.

During his volunteer opportunity, Dr. Linder provided copywriting and communication support through coordination with system leadership and clinical department staff. His accomplishments include preventative health related articles published through local media outlets, marketing collateral and annual report content development, and system-wide progress messaging.

Dr. Linder's clinical expertise helped to ensure our collateral material and content copy delivered the appropriate messaging to various audiences including patients, clinical staff, and physicians. His copywriting ability produces prose that conveys a unique voice to meet the needs of various stakeholders. He is amenable, professional, employs a collaborative approach to accomplishing goals and quickly became a valuable member of our team.

We appreciate having had the opportunity to share the Holzer Health System Marketing and Business Development experience with Dr. Linder and conversely learn from his clinical expertise. I would recommend his services to any healthcare entity in need of copywriting assistance.

Sincerely,

MarJean Kennedy

I have personally known Howard Linder for almost fifteen years. In that time I have watched as he has served in various leadership capacities (Elder, Deacon, and Sunday School Teacher). I know him to be a sincere and honest man, a caring husband, a loving father and grandfather. His character and Christian witness is above reproach.

As a writer, he initiated (and still maintains) a weekly inspirational blog that is shared with our entire congregation on a regular basis. On several occasions, members of our congregation have shared with me how those "weekly words of encouragement" have ministered to them.

I have no hesitation in recommending Howard Linder to you. His skills and abilities as a writer have been proven time and time again.

Sincerely,

Michael Lynn, Minister
